## CIRCULAR TO PARENTS OF THE SCHOOL (STD II to STD XII) (TRAFFIC CONGESTION – ISM MAIN CAMPUS)

Dear Parent,

Greetings from Indian School Muscat!

We have observed heavy traffic and movement of the private cars in the morning and afternoon hours while dropping and taking back the children. It is making a lot of inconvenience to the people staying in the area and we seek the support of the parents to reduce the traffic congestion specifically in and around the school premises.

We request all the parents of Senior Section (STD IX to XII) to use the D Block gate preferably for dropping and taking back the children which will ease out the traffic issues to a certain extent. This will avoid the inconvenience and waiting time for the parents as well. At present, all three gates (B Block (rear side), C Block and D Block) are operational for the entry & exit of the students and will be continuing until further notice.

**The parents of Senior Section are requested to use the inner road behind the school connecting from the front side of the Muscat Municipality to the D Block gate (behind the school) so that the traffic in front of the school will get reduced.**

We request all the parents to use the following gates for dropping and taking back the children.

| Classes       | Gate                                   | Timing   |
|---------------|--|--|
| STD IX to XII | D Block Gate (Rear Side of the School) | 6.30 a.m. to 7.10 a.m.<br>1.45 p.m. to 2.15 p.m. |
| STD V to VIII | Main Gate & B Block Gate (Rear Side)   | 6.30 a.m. to 7.10 a.m.<br>1.30 p.m. to 2.15 p.m. |
| STD II to IV  | Main Gate & B Block Gate (Rear Side)   | 6.30 a.m. to 8.00 a.m.<br>1.00 p.m. to 1.30 p.m. |

We request all the parents to adhere to the traffic regulations and cooperate with the school staff on duty on the roads during the entry and dispersal time. We further request the parents to drop the children only in the designated area in front of the gates a little early to avoid the rush in the last hour. This arrangement has been made in such a way that the children will cross the roads only through the designated area. This is to ensure their safety.

We seek the support and cooperation from the parents to ease out the traffic issues and also to ensure the safety of the children by following the above guidelines.

Kind regards

Rakesh Joshi  
Principal
