CIRCULAR TO THE PARENTS OF CLSSS IX TO XII
CAREER LIBRARY

Dear Students and Parents,
Greetings from Indian school Muscat!

Choosing the right career path is a crucial decision that significantly impacts a student's future. It is essential for both parents and students to have access to the right guidance and information to make informed choices. At ISM, we consistently prioritize our students' needs, and in line with this commitment, we are sharing a career library developed under the guidance of CBSE.

PSS Central Institute of Vocational Education (PSSCIVE), NCERT in collaboration with the United Nations Children's Fund (UNICEF) has developed 2 volumes of Career Guidance materials on STEM, non-STEM, Skill and other miscellaneous (Inter-disciplinary) career pathways. 500 career cards in 21 domains have been developed. Each career card contains work profile, essential Personal Traits. Course fee, Scholarships, Loan prospects. Entry Pathway, Details about course providing Institutions (Govt./Private/Online course) and examples of pioneers in respective fields. Compilation of these career cards represents our commitment to providing every student with the tools and knowledge necessary to make informed decisions about their career and future. The link for the guideline to career library is given below:

We encourage all students and parents to explore these resources and take advantage of the wealth of information available to make well-informed career choices.

Kind regards,

Rakesh Joshi
